125th AUCTION SALE

BOSTON:

T. R. MARVIN & SON, NUMISMATIC PRINTERS.

1894.

.

It is with sincere pleasure and gratification that I offer to Collectors for unconditional competition by auction, the beautiful Collection of United States Silver and Copper Coins of W. M. FRIESNER, Esq., Los Angeles, California.

The Silver Series will be found not only of general very excellent quality, but also either quite or very nearly complete, thus giving Collectors an excellent opportunity to secure, at their own prices, Coins of the utmost rarity, and now very rarely offered.

Mr. Friesner made the collecting of the Silver Coins of the Branch Mints of New Orleans, San Francisco, and Carson City a specialty. His arrangement of the Coins under these sub-heads has been preserved, and forms a happy innovation in classification, which will no doubt be appreciated by the many Collectors interested in the subject.

The Cents and Half Cents also comprise a number of very choice and rare specimens.

In the statements of condition the Cataloguer has rigidly adhered to the high standard adopted by him and has exercised most scrupulous care in the entire work.

Orders by mail should be sent to parties entrusted with their execution so as to reach destination at least 24 hours before the sale.

Unless special arrangements are made all bills are payable on delivery of purchases ; deposits will be required from unknown buyers.

Except when the word " Set " or " Lot " is used, all the Coins and Medals are sold at so much per piece, and bids must be made accordingly.

This entire collection will be exhibited in the Auction Room up to 1 P. M. on the days of sale. No Coins or Medals can be shown while the sale is progressing.

ED. FROSSARD.

SILVER COINS, UNITED STATES BRANCH MINTS.

THE subject of Mint marks having developed during the past few years into quite an important feature in the collecting of coins, it is deemed advisable to preserve Mr. Friesner's arrangement, and to offer these coins singly, thus giving collectors the widest opportunity of adding such dates as they may lack, without the purchase of duplicates.

AFTER A LONG ILLNESS.

Death of William M. Friesner, Late Superintendent of Public Schools.

After a long illness, William M. Friesner, late Superintendent of Public Schools, died Wednesday morning, August 1, 1894, at 4 o'clock, at the residence of his father-in-law, J. F. Towell, corner of Figueroa and Twenty-third streets, aged 43 years. The deceased, as a public educator, had a long and honorable career, and his death will be deeply regretted here and elsewhere by both parents and children, who had learned to respect him for his purity of character and his faithful, conscientious work as a teacher.

Mr. Friesner was born in Fairfield county, O., January 24, 1851. When he was quite young his parents removed to Allen county, O., near Lima.

After the death of his mother, when he was 12 years old, he returned to his native county and resided with his mother's parents (Miller) on a farm, near Lancaster, until he was 18 years of age.

In the fall of 1869 he entered Fairfield Union Academy, at Pleasantville, where he fitted for college, and graduated in June, 1872, teaching country schools during the winter terms.

During the year 1872-73 he was principal of the graded schools of Lithopolis, O.

In September, 1873, he entered the junior class of the Ohio Wesleyan University, from which institution he graduated with honor in 1875.

He was employed as tutor during part of his college course. During his senior year he was secretary of the Grand Chapter of Phi Kappa Psi, then located at Ohio Alpha.

Since graduation he has held the following positions: From 1875 to 1879, principal of the High School at Portsmouth, O.; from 1879 to 1881, superintendent of city schools at the same place; from 1881 to 1885, Superintendent of Schools at Cedar Rapids, Iowa, after which he located in this city, where he was elected Superintendent of Public Schools in 1885, and served until July 31, 1893, when failing health admonished him that his working days were over.

November 9, 1876, he was married to Charlotte E. Fant of Delaware, O., who died January 17, 1883.

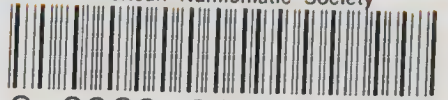

On December 16, 1886, he was married to Addie B. Towell, who survives him, with a little son, 2½ years of age.

He was long a member of the Masonic fraternity, having reached the thirty-second degree, and also a Knight Templar.

"The day has come, its work is done;
The flowers have faded, one by one;
Before the sun shines on another day
Let us look to heaven, and humbly say
Thy will be done."
